- We can maintain your boiler, heating system, plumbing, radiators and household electrics
- We are offering a competitive fixed price package
- No added costs for parts and labour
- No hidden extras
- A local company with a proven track record

---

For only £7.99 per month for the first year you can get this incredible package: -

- Cover for boiler breakdowns
- No call out charges
- No labour charges
- No parts charges
- Cover for heating system & hot water controls
- Cover for system pipe work repairs
- Cover for internal plumbing
- Cover for repairs to internal electrics
- Annual summer boiler service – to get the boiler ready for winter

Heating

Plumbing

Electrics

After 12 months the monthly payment will go up to £16.99, which is still excellent value for money and this price will not increase again for at least 2 years.
